

ATTIC Launches Safe Contract Review Program Using LegalSifter Technology

MISSOULA, MONTANA, UNITED STATES OF AMERICA, October 17, 2022 /EINPresswire.com/ -- ATTIC proudly announces the product launch of the Safe Contract Review program, in partnership with LegalSifter® and Transaction Expeditors. ATTIC will offer its insureds a combined intelligence™ solution for the negotiation of transportation industry contracts. Featuring LegalSifter's artificial intelligence (AI) and human expertise technology, ATTIC Safe Contract Review will allow their insureds to negotiate contracts faster, cheaper, and with less risk.

ATTIC's Safe Contract Review program will:

- Quickly review common transportation and other business-as-usual contracts with increased speed and accuracy

We wanted to make contract negotiation easier for our clients while providing expertise to reduce risk."

Ken Crippen

- Quickly identify dozens of risk and insurance requirements that impact the bottom line
- Provide embedded subject matter expertise to help understand and mitigate risk

"Our transportation industry clients struggle to review contracts. We wanted to make contract negotiation easier for them while providing expertise to reduce risk," said Ken

Crippen, President & CEO of ATTIC. "LegalSifter and Transaction Expeditors have the technology and the experience to provide an outstanding and useful product to our insureds."

"LegalSifter is thrilled to partner with ATTIC," says Kevin Miller, CEO at LegalSifter. "Now ATTIC insureds will have the benefit of AI and years of Transaction Expeditors transportation contract experience to review contracts faster with the ability to reduce risk."

ATTIC will immediately offer Safe Contract Review program to its insureds.
